

NEW HAMPSHIRE COALITION AGAINST DOMESTIC AND SEXUAL VIOLENCE

OUR MISSION

We create safe, just, and equitable communities through advocacy, education, and empowerment of anyone affected by domestic and sexual violence, stalking, child abuse, and human trafficking.

OUR IMPACT

We are a private, nonprofit organization that serves as a coordinating agency for 12 community-based member programs.

An average of 15,000 survivors are served by our crisis centers annually.

Our vision is to prevent violence and abuse in New Hampshire before they occur.

OUR STORY

The New Hampshire Coalition Against Domestic and Sexual Violence (NHCADSV) was formed at the height of the women's movement in the 1970s. During its 40-year history, the Coalition has worked collaboratively with many local, state, and federal partners to further our common goal of ending domestic and sexual violence.

The Coalition and its statewide network of 12 member programs remain committed to ensuring quality services are provided to survivors and that education and prevention are at the forefront of that work. The Coalition continues to influence public policy and promote social change, bringing us closer to realizing our mission of a safer Granite State for all.
